Please read the following carefully and check the boxes that apply to your program selection:

I am applying to the **Master of Engineering (M.Eng.)** in Environmental Engineering program (non-thesis)

I understand that this is a course/project based Master's degree, which does not qualify students to apply for PhD studies in the future. In addition, no research funding is provided to students in the M.Eng. program.

I am applying to the **Master of Applied Science** in Environmental Engineering program (thesis option)

If I am not admitted to the thesis option program at the University of Ottawa, please consider my application for the non-thesis option. No research funding is provided to students in the M.Eng. program.

I am applying to the **PhD** in Environmental Engineering program
