Learning to Learn — Preparing Tomorrow’s Engineers
June 9 – 12, 2019

About the CEEA
The Canadian Engineering Education Association (CEEA) is a membership driven organization whose mission is to “enhance the competence and relevance of graduates from Canadian Engineering schools through continuous improvement in engineering education and design education.”

CEEA Annual Conference: Learning to Learn — Preparing Tomorrow’s Engineers

Event dates: Sunday, June 9, 2019 to Wednesday, June 12, 2019
Event location: University of Ottawa, Ottawa, ON, Canada

Hosted by the University of Ottawa’s Faculty of Engineering, the conference will invite participants to share their research and best practices in the innovative use of technology and novel teaching environments to develop life-long learning skills within our engineering students and graduates.

Conference sub-themes
- Engaging the Broader Engineering Community
- Facilitating Student Engagement
- Creativity and Innovation in Engineering
- Pedagogy in Engineering
- New Teaching and Learning Paradigms
- The Engineering Design Experience
- The First Year Student Experience
- Approaches, Assessment and Accreditation: Towards an Outcomes-Based Education

Event attendance
Event goals: To bring together Canada’s top engineers, students and professors to a world class event hosted in the heart of the Nation’s Capital.
Target Audience: Canadian engineers, undergraduate and graduate engineering students, engineering professors and researchers, and industry professionals.
Event reach: 300 delegates over four days
Taking CEEA 2019 to new heights at uOttawa

Within the "Learning to Learn" conference theme, participants will be provided with dynamic sessions and hands-on activities in the university's newest state-of-the-art facilities: the STEM Complex and the Learning Centre.

CEEA 2019 will offer eight sub-themes to drive an exciting and topical conference program. Held in parallel with the conference, uOttawa’s Faculty of Engineering will be hosting the Engineering Competitions Symposium, bringing together 48 top student leaders from across Canada to engage with and learn from industry and professionals.

Participants can also look forward to enjoying the National Capital Region by visiting two national museums as part of the special events programming. With its central location, interdisciplinary perspective, and uniquely engaging program, CEEA 2019 is set to be an unprecedented success.
