

**OTTAWA-CARLETON JOINT INSTITUTE FOR COMPUTER SCIENCE (OCICS)
PREFERENCE FORM**

Family Name		Given Name(s)	
Email:		Student #:	

Please read the following carefully and check the boxes that apply to your program selection:

I am applying to the **Master of Computer Science (MCS) program, non-thesis option.**

I understand that this is a course/project based Master's degree, which does not qualify students to apply for PhD studies in the future. In addition, no research funding is provided to students in the MCS, non-thesis program.

I am applying to the **MCS program concentration Applied Artificial Intelligence, non-thesis option.**

I understand that this is a course/project based Master's degree, which does not qualify students to apply for PhD studies in the future. In addition, no research funding is provided to students in the MCS, non-thesis program.

If I am not admitted to the AAI option at the University of Ottawa, please consider my application for the MCS regular program with non-thesis option.

I am applying to the **MCS program, thesis option.** I understand that this is a research-based program that will allow me to pursue PhD studies.

If I am not admitted to the thesis option program at the University of Ottawa, please consider my application for the non-thesis option.

I am applying to the **MCS program concentration Applied Artificial Intelligence, thesis option.** I understand that this is a research-based program that will allow me to pursue PhD studies.

If I am not admitted to the AAI option at the University of Ottawa, please consider my application for the MCS regular program with thesis option.

If I am not admitted to the thesis option program at the University of Ottawa, please consider my application for the non-thesis option.

Please note that for students beginning their MCS program in September (thesis or non-thesis), the additional CO-OP option requires a separate application process (described in the link below): [CO-OP option information](#)

I am applying to the **PhD in Computer Science program.**

Supervision:

I have made arrangements with a Professor and my supervisor will be: _____
(You can find a complete list of potential supervisors, by area of research, at the following link: [uOttawa Members](#))

Specialization:

Indicate your 1st and 2nd choice:

Choice	Preferred Area
1	
2	

Financial Support:

Estimated **yearly** expenses for a **single** Visa student (tuition, accommodation, meals, incidental expenses, etc.) is **over** \$40,000 Canadian. If you cannot finance your own studies and funding cannot be arranged from the University, you will not be offered admission, regardless of your academic merit.

I am NOT prepared to finance my studies. I understand that my application may be rejected, regardless of academic merit, if the University of Ottawa cannot arrange financial support.		
I am prepared to finance my studies from resources, in part or full, as stated below (include Canadian dollar amounts).		Fully
		Partially
